§41.172 Return to nontaxpaid status, action by taxpayer.

(a) *General.* Where tobacco products and cigarette papers and tubes which have been imported or brought into the United States are withdrawn from the market and the taxpayer desires to file a claim for refund of the tax on the articles and return them to a nontaxpaid status, he shall, in addition to the requirements of §41.163, assemble the articles in or adjacent to the factory in which the articles are to be retained or received in a nontaxpaid status. The taxpayer shall group the articles according to the rates of tax applicable to the articles, and shall prepare a schedule of the articles, on Form 5200.7, in triplicate. All copies of the schedule shall be forwarded to the appropriate TTB officer.

(b) *Large cigars.* Refund or credit of tax on large cigars withdrawn from the market is limited to the lowest tax applicable to that brand and size of cigar during the required record retention period (see §41.22) except where the importer establishes that a greater amount was actually paid. For each claim involving large cigars withdrawn from the market, the importer must include a certification on either TTB Form 5200.7 or TTB Form 2635 (5620.8) to read as follows:

The amounts claimed relating to large cigars are based on the lowest sale price applicable to the cigars during the required record retention period, except where specific documentation is submitted with the

claim to establish that any greater amount of tax claimed was actually paid.

Upon receipt of a schedule of tobacco products and cigarette papers and tubes which have been imported or brought into the United States and which are withdrawn from the market by a taxpayer who desires to return such articles to a nontaxpaid status, the appropriate TTB officer may verify the schedule and supervise disposition of the articles (and destruction of the stamps, if any) or the appropriate TTB officer may authorize the receiving manufacturer to verify the schedule and disposition of the articles (and destruction of the stamps, if any) covered therein, without supervision, by so stating on the original and one copy of the schedule returned to the manufacturer. Where the receipt in a factory of tobacco products and cigarette papers and tubes has been verified, such articles shall be treated by the receiving manufacturer as nontaxpaid and shall be covered by the manufacturer's bond.

Subpart J—Records and Reports

SOURCE: T.D. ATF-40, 42 FR 5007, Jan. 26, 1977, unless otherwise noted.

§41.181 Records of large cigars.

Every person who imports large cigars for sale within the United States must keep such records as are necessary to establish and verify the sale price that applies to large cigars removed (entered or withdrawn).

(a) *Basic record.* The importer must keep a record to show each sale price (as determined under §41.39), which is applicable to large cigars removed. No later than the tenth business day in January of each year the importer must prepare such a record to show the sale price in effect on the first day of that year for each brand and size of large cigars. The importer must note any change in a price from that shown in the record within ten business days after such change in price. The record must be a continuing one for each brand and size of cigar (and type of packaging, if pertinent), so that the taxable price on any date may be readily ascertained. If an importer removes new types of large cigars after the be-

ginning of the year, the importer must enter the sale price and its effective date for such large cigars in the basic record within ten business days after such removal.

(b) *Copies of price announcements.* The importer must keep a copy of each general announcement that is issued internally or to the trade about establishment or change of large cigar sale prices. If the copy does not show the actual date when issued it must be annotated to show this information.

(c) *Copies of entry and withdrawal forms.* The importer must keep a copy of each customs entry or withdrawal form on which internal revenue tax for large cigars is declared pursuant to §41.81.

(d) *Alternative record.* If an importer has so few import transactions and/or brands and sizes of large cigars that retention of an appropriate copy of each entry and withdrawal form required under paragraph (c) of this section will provide an adequate record of sale prices, then the record required under paragraph (a) of this section need not be kept. In such case the entry and withdrawal forms must identify the brands and sizes of cigars covered and show the corresponding quantity and sale price for each. If such information was not originally entered on the form it may be included by annotation. Whenever the appropriate TTB officer finds that alternative records being kept pursuant to this paragraph are inadequate for the intended purpose, he or she may so notify the importer in writing, after which time the importer must keep the record required under paragraph (a) of this section.

§41.182 Availability of records.

The records required under §41.181 shall be kept by the importer at his usual place of business unless otherwise authorized in writing by the appropriate TTB officer, and shall be made available for inspection by the
